I. **Announcements** – None

II. **Discussion**

CLAS 330 – Frances reported the course may be rolled forward to winter term.

Frances gave an update on online courses and repeatability.

HIST 215 – Concern regarding reference to Wikipedia. The committee recommended sharing the Libraries’ link for citations. The department also needs to check with IRB to gain official exemption.

HIST 286 – Courseleaf SEI doesn’t match syllabus.

HIST 201, 202, 203 – Frances has continued discussions with the department regarding the use of America in the title.

GEOG 391 – Short description needs updated. UOCC approved course and general education request.

GEOG 413 – Lacks academic content. Should it be a 408? UOCC needs direction from Undergraduate Council definition for this process.

ANTH 223 – UOCC approved course, gen ed, and MC.

ANTH 278 – Course given new number at meeting. Was submitted as ANTH 268. Need to change short course description using general education justification narrative in first sentence. Will replace ANTH 368. UOCC approved course and general education science status.

ANTH 368 – UOCC approved to drop.

ANTH 284 – Questions regarding instructor’s involvement with this online course. General education and multicultural requests look good.
